*"Nothing can replace the experience of witnessing, in person, the magnitude that is the Duomo, Battistero, and Campanile, of Florence. It stopped me in my tracks, every time I passed it for the three weeks while I was Italy. I cherish the pictures I returned with, but they only serve as a reminder of the humbling feeling that being in the presence of such grand architecture and art can evoke. "*

- Bernadette Marty, Study Abroad Italy Student Participant.
